

ALCA Ranking Policy for ILCA World Masters Championships – November 2021

The ranking for entry to ILCA World Masters Championships will be the order of placing in each age division in the preceding Australian ILCA Masters Championships except that any current World Masters Champion will be ranked in age order (if there are more than one) ahead of all other applicants.

Because ILCA requires ranking independent of age division each result will be scaled according to the size of the division in the Australian ILCA Masters Championships.

Sailors from WA Region who are unable to compete in the Australian ILCA Masters Championship may apply to be ranked according to their scaled results in the preceding WA Region Masters Championship.

Any sailor who applies for entry to an ILCA World Championship who did not compete in the preceding Australian ILCA Masters Championships will be ranked in the order that they lodged their application with ILCA after all other applicants who are ranked as above.

This policy will replace the July 2017 policy ongoing from ranking for 2023 ILCA World Championships.
